**ORDER:**

In the G.O. 1<sup>st</sup> read above permission was accorded to God's Foundation Nursing Educational Society, 42, Doctor's Colony, Kurnool for establishment of Christian College of Nursing at Mahaboobnagar with an intake capacity of 40 seats from the academic year 2004-2005 duly indicating the clinical attachment for the training of the students of the said institutions at Sri Sai Maternity and Children's Hospital, Boothpur Road, Mahaboobnagar and Arun Hospital, R.S. Road, Mahaboobnagar.

2. In the G.O. 4<sup>th</sup> read above, orders were issued revalidating the earlier orders issued in G.O. 1<sup>st</sup> and 2<sup>nd</sup> read above enabling the Secretary, Christian College of Nursing, Mahaboobnagar to start the B.Sc. Nursing with an intake capacity of 40 seats during the year 2008-2009, duly following the conditions laid down in the GOs 1<sup>st</sup> and 2<sup>nd</sup> read above and clinical attachment as mentioned therein.

3. In the letter 5<sup>th</sup> read above, the Secretary, Christian College of Nursing, Mahaboobnagar has requested to amend the G.O.4<sup>th</sup> read above, permitting the following private hospitals for clinical attachments to their College of Nursing at an early date, as the University asked to submit it, at the earliest.

5. In the letter 7<sup>th</sup> read the Chairman, High Power Committee has reported that S.V.S.Medical College Hospital which is said to be having 500 beds was permitted to run a College of Nursing with 100 seats. A College of Nursing with 100 seats will be granted to a hospital having 500 beds. So, the 500 beds of S.V.S.Medical College Hospital was already taking care of by College of Nursing with 100 seats. In addition S.V.S.Medical College is also running a School of Nursing which require 160 beds and accorded permission to start few Para Medical Courses which require 100 beds for each course. Thus, taking into consideration the number of institutions, the said S.V.S.Medical College Hospital is running, the said S.V.S.Medical College Hospital is not permitted to provide clinical affiliation to the applicant and requested the Government not to consider the request of the applicant to provide clinical affiliation to the three hospitals as requested.

6. Orders were issued in G.O. 3<sup>rd</sup> read above continuing the policy of clinical affiliation for the existing Schools of Nursing / Colleges of Nursing to the Government and private hospitals. The said orders do not provide for change of hospitals for the purpose of clinical training. As such the request of the college in the reference 5<sup>th</sup> read above for clinical affiliation to different hospitals other than those permitted earlier is not feasible.

7. Government after careful examination of the matter has decided to accept the recommendation of the Chairman, High Power Committee and accordingly hereby reject the request of the Secretary, Christian College of Nursing, Mahaboobnagar for permitting the three (3) new private hospitals for clinical attachment to their College of Nursing in lieu of the hospitals originally permitted for clinical attachment in the G.O.1<sup>st</sup> read above.
